The Trust is the estate management company for the area and was established in 1968 to help conserve and preserve the Suburb.

Freeholders are subject to a Scheme of Management passed by the High Court in 1974, while in the case of most leaseholders the Trust is the ground landlord.

Residents are required to get the consent of the Trust before altering the external appearance of their properties; leaseholders will also need consent for internal works. In addition, consent is required for significant changes to gardens, erection of garden sheds, felling or pruning of trees or removal of any hedge.

The Architectural Advisers will be pleased to advise you on any alterations you may wish to undertake and the Trust employs an arboricultural consultant, Tony George, to help resident with trees, hedges and gardens. For a free site visit, telephone to make an appointment.

Consent from the London Borough of Barnet is also necessary for external alterations and for any works to Listed Buildings. Around 500 properties have been listed and many more have been locally listed.

The Trust is a registered charity. There are eight unpaid Trustees, four elected and four appointed by professional bodies. Membership is open to residents who have lived on the Suburb for three years or more. Associate Membership is available for new residents.

The Trust maintains a list of builders and specialist contractors recommended by residents and welcomes additions to this list.

The Trust office is normally open from 9am-5pm, Monday-Friday.

# Some good reasons for being an RA member

The Residents Association preserves the unique character of the Suburb by championing residents' interests with London Borough of Barnet, Hampstead Garden Suburb Trust, Transport for London, English Heritage, National Health Service and more. Results include:

Excessive road signage and clutter have been removed • Traditional street name signs are used  
Green grass verges rather than concrete • Eco friendly wooden bollards  
More suitable street lighting • Transport for London has dropped thousands of parking fines  
Graffiti is removed and trees are protected • Installation of unsightly mobile masts is minimised

## In addition with members' subscriptions, the Residents Association:

Sponsors the Proms at St Jude's • Has a volunteer team of more than 100 who clear litter  
Has planted hundreds of new trees in the streets • Maintains the Suburb website and provides a members email forum • Operates the Garden Suburb Gallery at Fellowship House  
Produces, publishes and distributes Suburb News and the Suburb Directory  
Upholds the principles of the Suburb founders • Ensures that allotments are maintained  
Organises neighbourhood events such as the Centenary celebrations and the New Year fireworks on Central Square

All for just £15 per household a year
