

Working together for a safer London

Garden Suburb Safer Neighbourhood team is in the process of setting up a new initiative known as E-WATCH.

The intention of this initiative is to gather email addresses of residents and businesses on the suburb and build a mailing list.

We will then use those email addresses to distribute messages from our team regarding crime prevention advice and also relevant appropriate information regarding crime in the local area.

If you would like to be placed on our emailing list please send us an email with the following details
